

UNIVERSITY AND COLLEGE TRANSFER CERTIFICATES

Program Code: 09191
09181

Start Here—Go Anywhere!

Whether your goal is a College Diploma or a University Degree, Humber’s General Arts and Science University and College Transfer Certificates are designed for you! If you already have your high school diploma, why spend another year in high school when you can jump-start your career with us? The writing and critical thinking skills you will build and the transfer credits you will earn are two good reasons why Humber should be your first choice. Our great reputation and proven success makes us number one in Pathways.

Program Overview & Benefits

College is a big step forward: it can be exciting and rewarding, but sometimes overwhelming too. These foundational programs equip you with the skills needed to succeed and help you make the transition to postsecondary studies by providing

- an academic advisor, great professors, and a supportive Humber community
- small class sizes with more individual attention
- online learning opportunities along with hybrid courses
- a wide range of core courses exploring different fields in the humanities and social sciences
- transfer credits for future diploma and degree-level studies, including Humber’s own diplomas and exciting degrees
- Advanced standing of half a year at York University

Whether you take the University or College transfer certificate, you can transfer in to the University Transfer Diploma, opening even more doors to further degree-level study.

Course Duration & Location

- 2 Semesters
- September at North, Lakeshore, & Orangeville campuses
- January at North & Lakeshore campuses (2nd semester at North only)

Curriculum

First Semester

- GCOM 105** Academic Writing & Research 1*
- GHST 100** World Civilizations
- GPSY 100** Applied Psychology for Student Success
- GSOC 110** Sociology: Introduction
- GMTH 120** Math for Arts and Science**
- OR
- GMTH 125** Math for the Social Sciences

* You will write a placement test to determine your writing skills. Based on this assessment, you may be required to take Basic College Writing Skills (GCOM 050) before you take Academic Writing and Research 1. If you write your placement test early, you can take the GCOM 050 course online in the summer and be ready to take the GCOM 105 when you begin your first semester.

** You will write a math placement test to determine which math course you will take.

Second Semester

- GCOM 201** Professional Writing
- GCRT 100** Critical Thinking
- GLIT 110** Forms of Literature
- GPHL 110** Introduction to Philosophy
- GSOC 210** Sociology 2
